WTD	X	SILICONE OIL FOR RUBBER GASKETS		
SAFETY WINDOWS				
AUTOMATION				
Created by:		VML		
Approved:		KRM		

Description:

IMS WTD Maintenance describes to lubricate the rubber gaskets with silicon oil every month.

We have a perfect product for this purpose.

Silicone oil for rubber seal, 0.5L
PN: 10002351

Silicone oil for rubber seal, 0.25L
PN: 10026198

Benefits:

- ✓ Longer lifetime for the gaskets (rubber stays soft)
- ✓ Better watertight integrity
- ✓ Gasket will not be greasy (your clothes will not get dirty, etc.)
- ✓ The silicone oil is durable in use
